SUBJECT: MORE INFORMATION NEEDED FOR NOTIFICATION OF
GUANTANAMO ADMINISTRATIVE REVIEW BOARD PROCEEDINGS

REF: SECSTATE 139528

Classified By: Brent Hartey; Counselor for Political Military Affairs;
reasons 1.4(b) and (d).

¶1. (C) At a meeting on detainee transfer issues on October 7, PolMilOffs informed Mohammad Zia Salehi (Situation Room Director) in Afghanistan's Office of the National Security Council (ONSC) that the two Afghan detainees listed in reftel will be scheduled for Administrative Review Board (ARB) proceedings at Guantanamo Bay (GTMO) in approximately 30 days. PolMilOffs discussed reftel talking points with Salehi, who responded that the information GTMO has provided about the two detainees is not sufficient to allow IROA to identify these detainees to provincial officials and to obtain information about them. Neither the information in reftel nor in the Excel spreadsheet with Dari information on all Afghan GTMO detainees (relayed by OSD via e-mail on September 21) identifies Amir Khan (ISN: 900) by where he is from in Afghanistan, only by his Pakistani birthplace. Data on Abdul Ghani (ISN: 934) lacks required identifying information on village of birth and father's name.

¶2. (C) After receiving the necessary information on the two detainees, ONSC will provide, and Post will relay via front channel cable, any written information in support of release within 30 days.
